ABOUT THE ASPN

The American Society of Pediatric Nephrology is an organization of pediatric nephrologists and affiliated health care professionals. Its primary goals are to promote optimal care for children with kidney disease through advocacy, education and research; and to disseminate advances in clinical practice and scientific investigation. The Society accepts membership applications year round. For more information, visit www.ASPNeph.org.

WHO SHOULD ATTEND

Nurses, Social Workers, Dietitians, Child Life Specialists, Psychologists, or anyone who works on a Pediatric Nephrology Team
