Estrel Resort Quebec, Canada

Located in the Laurentian Mountains and just North of Montreal. The location is known for its stunning beauty including lush forests, immaculate lakes, and picturesque landscape. The resort is in between Lake Dupuis and Lake Masson, providing guests with a peaceful and scenic view. Guests can enjoy hiking, biking, canoeing, and kayaking in the nearby lakes and forests. The resort itself offers many luxurious accommodations including spacious suites, spas, outdoor pools, and gourmet dining options.
