11th Annual ASPN Multidisciplinary Symposium

Conference Chair

Ewa Elenberg, MD, MEd, Chair
Professor of Pediatrics
Renal Service, Texas Children's Hospital
Baylor College of Medicine, Houston, Texas

Dr. Elenberg is a Professor in Pediatric Nephrology, Baylor Medical School, Texas Children's Hospital in Houston, Texas. In 2012 she graduated from the University of Houston with the degree of Master in Education. She has a special interest in cystinosis, with an extensive experience in education in cystinosis, presenting over 60 lectures on national and international level. Her dedication to this patient population earned her special recognition among doctors, patients, and their families. At Baylor College of Medicine she received two prestigious Fulbright & Jaworsky Faculty Excellence Awards, in 2011 in the category of Teaching and Education and in 2015 in the category of Educational Leadership.

ABOUT THE ASPN

The American Society of Pediatric Nephrology is an organization of pediatric nephrologists and affiliated health care professionals. Its primary goals are to promote optimal care for children with kidney disease through advocacy, education and research; and to disseminate advances in clinical practice and scientific investigation. The Society accepts membership applications year round. For more information, visit www.ASPNeph.org.

WHO SHOULD ATTEND

Nurses, Social Workers, Dietitians, Child Life Specialists, Psychologists, or anyone who works on a Pediatric Nephrology Team
